MUHAMMAD TAHA

Associate Laravel Developer

📞 (0092) 324-442-0869 @ tahaasif82442@gmail.com 📍 Lahore, Pakistan

SUMMARY

As an Associate Laravel Developer, I am dedicated to improving my technical skills while contributing to innovative projects. My primary goal is to enhance societal well-being through technology, as exemplified by my work on the Doclin Mental Health App. I thrive in collaborative environments and aim to create a significant impact through my work

EXPERIENCE

Laravel Developer

Backbone Technologies

📅 06/2024 - Present 📍 Lahore, Pakistan

Company focused on software development and technology solutions

- Built a Call Center CRM system using Laravel, Bootstrap, MySQL, and Elasticsearch
- Designed and optimized database structures and search capabilities for high-volume call center data
- Delivered the complete solution independently, from backend development to front-end integration
